The corn, though backward, is healthy and vigorous, and cotton is generally looking well.

In a town in Northern Berkshire' a bereaved widower was recently presented with a bill of two dollars for digging his wife's grave. "What," says he, "two dollars for digging a grave in that soft spot?"

A young lady being engaged to be married, and getting sick of the bargain, applied to a friend to help her to untie the knot before it was too late. "Oh, certainly," he replied. "It's very easy to untie it now while it's a beau."

READY REPLY .- Two old New England ministers were riding by a gallows, when the elder one asked the other, "Where would you be if that tree bore its proper fruit?" "Riding alone, sir," was the immediate reply.
